LEVELS OFFERED: Aspire 1-4, Aspire Adult and Special Olympics Unified Synchronized Skating.

If a team competes in more than 3 competitions, their best 3 results will be used in the series. Unified teams must participate in at least 1 competition hosted by a Tri-State member club.

Competitions for the 2026-2027 season include the following:

- Chuck Cope Memorial, Dearborn FSC
- Diamond Classic, Mentor FSC
- Kalamazoo Kick-Off Classic, Greater Kalamazoo Skating Association
- Dr Porter Synchro Classic, Ann Arbor FSC
- Tri-State Synchro, Midland FSC

POINTS: Points earned will be weighted based on the number of teams entering any particular competition event, so the teams that place the highest in the largest group will receive the most points (please see Chart for details). The median score will be calculated based on the points awarded per competition.

ACCOUNTING: The Tri-State Board will monitor and calculate results from eligible competitions.

AWARDS and SERIES STANDINGS: Teams placing in the top 3 for each level will receive a medal. Medals will be mailed to the team contact listed on the entry form, approximately 3 weeks following the conclusion of the last event in the series.
